Travel Insurance:

Travel insurance is highly recommended to cover for irrecoverable prepaid travel costs incurred as a result of unforeseen circumstances. For example, if you become unexpectedly ill and are unable to travel then you will be able to recover the total costs of your package. Please note every year we have clients needing to cancel for many unforeseen reasons. Unfortunately we are helpless if clients have not taken out travel insurance. Cover can be purchased at time of booking. All below prices are based on travel within Australia.
